# ETWINNING?

The screenshot shows the eTwinning website homepage. At the top left is the eTwinning logo. To its right are navigation links: "About", "Projects", "Professional development", and "Highlights". A search icon is on the far right. Below the navigation is a video player with the title "Let's start eTwinning!". The video shows two cartoon characters, a boy and a girl, in a classroom setting. To the right of the video is a text block: "eTwinning is the community for schools in Europe." followed by a paragraph describing the platform's purpose and a link "Join the eTwinning Community >". At the bottom of the page are three statistics: "418914 TEACHERS", "169082 SCHOOLS", and "53594 PROJECTS", each with a corresponding icon.

Let's start eTwinning!

**eTwinning** is the community for schools in Europe.

eTwinning offers a platform for staff (teachers, head teachers, librarians, etc.), working in a school in one of the European countries involved, to communicate, collaborate, develop projects, share and, in short, feel and be part of the most exciting learning community in Europe.
